Chapter 6 - Karin's lips

So during the ride they'll be alone in their secret room for 15 minutes, huh?
No chance in hell, dude
What you say? Reverse the wheel spin?
I beg of you! If possible, at full speed
Hehe.
Yes, I could.
But I won't.
Wuu
Seems fun stuff is going to be happening
You're a demon, you should be able to!
Transfer me up to that ferris wheel!
Yeah, I guess.
That's like the worst thing someone can do in our society!
Are you going to let her brother kiss her?!
It is the worst thing one could do

I can't take it any more...
FLUMP
And that is why I'm rooting for them!
KEEP AT IT!!
YEAH!
Just a kiss ain't no big deal
karin-chan's lips...
No big deal?!
Yeah, wouldn't you want to do something else?
When you're riding the ferris wheel you'd normally want to do...
SOME-THING ELSE AS WE...?
UWAH
Something like this
But that's one of the despicable things I like about you...
Stupid, you always get so heated up

This is going well, soon I'll--
Hell yeah!
Wow!
What's that star called?
Geh!
How beautiful
Hey, Oosawa-kun,
But with my collection of romantic phrases, I'll be sure to get through this...
Crap! I didn't get time to read up on this!

To me, you shine brighter than any star in the night sky
See, see? That one, over there!
Before my eyes, there are no stars
R-rather, what's the name of that star?
Oh, stop it,
Oosawa-kun
THMP
THMP
THMP
If this goes on,
Ah!
Right now I don't want to see any stars. What I want to see is you, Karin!
I'll settle it with force!

She hasn't done anything wrong!
Do you have a curse on Karin or something?!
And there's no way they'll stay on first-base
Right and they're
And that's why it's pissing me off
Yup, nothing
And maybe that'll make me--
She knows nothing of being dirty, but that's what I want her to become
I'll just like to see what is under-neath that mask of hers
Like some kind of angelic goody-two-shoes
Ka-Karin-chan ain't that kind of girl!
I would bet, that if the mood is right she'd gladly take that kiss
But no matter how pure she is,
Nothing
Make you what?

Ah
THMP
THMP
THMP
THMP
Onsawa-kun.
Take it off.
Eh?
Seriously!
Now that's agressive
That's my sis' all right!
It's in the blood!
THMP
THMP
Sure.
KYA
KYA
Not your pants, your jacket!
See? A button's loose.

Hey, Dr Gadget, do you always carry a sewing needle around?
Yup.
Now that screwed the mood
Right, thanks
And here we go All Fixed up
I had no idea to think she had this womanly side to her
I've had real Fun
No, thank you
Thanks for asking me out on this date
The real thing's starting now!
Had Fun?! Hey now, we're not done yet!

* AND THE WORD "HONBAN" CAN ACTUALLY MEAN TO HAVE SEXUAL INTERCOURSE. FUN.

I'm sorry for today
's right... Right this moment!
My brother kept bugging us all the time
Actually,
He...
In school he only cares about his public face, and can do so because he's on the good side of the teachers and girls
He may think of me dearly, but only as much as he likes to throw money around him. And he's also involved with some bad people...
Surprising, no?
Y-yeah
I bet you don't like him a bit
When we were kids he always protected me when I was being picked on!
But you know, he's really not a bad person

I guess that's why he doesn't like it that you're with me
And since he cares so much for me,
EXIT
To me he's a very sweet brother
So he tries to protect those he loves from people he sees as strangers
Onii-chan doesn't know much about you,
Aha ha ha ha
That's great
R-right
I bet you will.
I hope that you two will become friendly
But I on the other hand,

DON
We'll reach the ground any minute.
This ain't the frickin' time to be all glad!
I guess I'll have to resort to my trump card!
If the atmosphere and mood won't hit it,
Karin-chan,
you have something on your eyebrow.
Eh?

THMP
TMP
TMP
THMP
Sorry.
Sit still, I'll take it off for you.
'kay
Such tender-looking...
S-so cute...
THMP
THMP
Just frickin' do it, Shuuichi
I cannot blow this chance
Karin's lips.
What I've been dreaming of all this time,
TMP
TMP
TMP
THMP
THMP
MMM
It's just a kiss

Thank you.
Grr...
They're coming down.
Or did you do something even worse?!
Is you kiss her?! You did, didn't you?!
Hey!
You bastard!
Onii-chan!
And with Karin-chan, don't you ever--
I'll take you down!
Geez!
My, oh my

There's no way Oosawa-kun would do something like that!
KABAN
Hmh!
You didn't kiss?
Heh
Now that's lame.
For what reason does he think I did this change?
Looks like a loser now.
Sorry about that.
Don't worry
I wonder why he didn't kiss her
Ah!
And that I can only be grateful for.
Well, anyway, at least Kanin-chan is safe
Did he have a conscience after all?
DAMP

BANG
Yikes!
Eh?
KAA

I hate you!
Onii-chan you idiot!
Kar-karin!
Rather than a kiss, that was way better
You bastard, whatd you do to my sister!
It wasn't deliberate, y'know
Crap!
Anyway, one day has passed.
KARIN
Heeey
AND SHE WONT LISTEN TO A WORD OF WHAT I HAVE TO SAY.

CHIRP
CHI...
WHEN I OPEN MY EYES...
SO IT'S GOOD NIGHT FOR TODAY
WHATEVER I WILL BE GONE FROM SHUUCHI KIDO TOMORROW ANYWAY

We'll be late!
Onii-chan!
INSTEAD OF SHUUCHI KIDO

I prolonged the contract with him.
Kido who usually is so calm...
D-did something happen?
